A Message from our President & CEO and Chair of the Board

Dear Friends,

During Fiscal Year 19, which this Annual Report reflects, your United Way continued to expand its reach to serve our community through outreach, funding and special events.

From July 1, 2018 to June 30, 2019, we positively impacted 182,662 individuals in Dutchess and Orange counties. There were almost 16,000 calls to 2-1-1 connecting those in need with organizations to help them with food, housing, employment, and much more! More than \$6.4 million in tax refunds was generated for our counties' residents through the volunteers of AARP Foundation Tax Aide and the Hudson Valley CASH Coalition. In addition, we continued to find ways to help our nonprofit partners extend the reach of their programs through your support.

The Newburgh ESPRI (Empire State Poverty Reduction Initiative)'s The Fragile Economies Project, led by The Newburgh Ministry, continues its work with families and helping them reach financial independence. While our Day of Sharing was on hiatus the second half of the fiscal year during the renovation of its basement space, we continued to provide basic essentials. The completed renovation was made possible through grants from New York State Dormitory Authority through Senator Sue Serino's office, The Louis Greenspan Foundation and an in-kind donation from R.L. Baxter Building Corp.

This year we also were delighted to add in a special FUNdraiser in June, Pull the Plane! Teams from organizations and our community joined together to pull a FedEx 757 at New York Stewart International Airport and we were able to raise more than \$60,000 for our work in the community. We hope to see you at Pull the Plane 2020 on June 13th. Sign up at www.pulltheplane.org.

Looking back at what we accomplished in 2018–2019 is inspiring and we will continue to build upon these partnerships to do even more in the future. During the upcoming year, we will ask you for your support – fiscally, through your workplace campaigns and individual gifts, through your volunteer hours, and through your support of our events. We hope to see you at Pull the Plane on June 13th and our Celebration of Service on June 24th as we honor Adams Fairacre Farms for their devoted work in the community!

Thank you again for your continued support of United Way!

Sincerely,

STOP IN FOR A TOUR OF OUR BUILDING

We want you to come visit!

Our office is located in a historic building on Market Street in the City of Poughkeepsie. This unique, Romanesque style building was built in 1885 and has served many purposes over the

years. During the 1940s- 1950s it was a boarding house called "The Jackman Apartments." The interior remains intact, including the massive brick chimney and fireplace, oak woodwork and glazed tiles.

We utilize the basement of our building for our Day of Sharing, gift-in-kind program. Each year we distribute essential clothing and hygiene items to thousands of local children and families in need. Recent renovations have allowed us to greatly expand the impact of this program.

If you have not yet had the chance to stop by, please come visit! This year we will be hosting 20 minute tours on Tuesdays and Thursdays between 9:30 am- 3:30 pm. Come in and meet our staff, see how our Days of Sharing operate, tour our newly renovated Louis Greenspan Children's Corner, learn about volunteer opportunities and check out the historic architecture. Call us today at 845-471-1900 ext 3104 or 3115 to set up a time to come in and see how your donations are changing lives!

WHAT DOES COMMUNITY IMPACT MEAN?

Advancing the common good is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent.

We all win when a child succeeds in school, when families are financially stable, when people are healthy. United Way's goal is to create long-lasting changes by addressing the underlying causes of these problems. Living United means being a part of the change.

By committing to LIVE UNITED, we're changing the lives of people in our community today, tomorrow and into the future by helping them meet day-to-day challenges they confront while supporting themselves and their families, and

preventing dangerous behaviors and crisis situations down the line.

All of us can help change the trajectory of their lives by building a foundation for success, helping them gain the skills and experiences that will enable them to thrive as members of our community.

We create fundamental and lasting change by fostering collaborations that transform the systems we rely on for a successful community.

It takes everyone in the community working together to create a brighter future. Give. Advocate. Volunteer. LIVE UNITED.

United Way also seeks individuals to join our special events committees, as well as our Young Leaders United affinity group, a dynamic group of 18-40 year olds looking to make a difference in their community, while positively representing United Way. We also seek volunteer Grant Reviewers each spring, to review online community grant applications submitted for United Way funding.

In addition, volunteers are often needed to assist in restocking our Louis Greenspan Children's Corner, as part of our Days of Sharing program.

Individuals, or groups of volunteers, can volunteer for two or more hours Monday-Friday, 10:00 a.m. - 4:00 p.m. to help take inventory of supplies, and restock and organize donations that are offered quarterly to representatives of local non-profits, faith-based organizations and school districts.

SPECIAL THANKS TO THE LEADERSHIP SOCIETY

The Alexis de Tocqueville Society and Leadership Society recognize local philanthropic leaders who devote themselves to creating lasting change by tackling our communities' most serious issues.

The Leadership Society is made up of about 200 members who donate \$1,000 or more annually to United Way of the Dutchess-Orange Region. Members come from all walks of life – CEOs, teachers, health care providers, manufacturers, and concerned community residents.

The prestigious Tocqueville Society membership is granted to individuals who contribute at least \$10,000 annually to United Way. Tocqueville Society members are recognized at both the local and national level and are listed in Tocqueville Society leadership directories with other prominent leaders from across the nation. Members of the Tocqueville and Leadership Society enjoy certain perks such as:

- Joining forces with others who are providing the impetus for social change in poverty, hunger, education and other crucial impact areas.
- Associating with other top business leaders of the Hudson Valley
- Invitations to special networking and social opportunities
- Certificate of membership to display
- VIP tours and site visits of funded partners
- Recognition at events

Interested in learning more and making a larger impact? Contact Rachel Johnson at rjohnson@uwdor.org or 845-471-1900 ext 3118. There are many giving options including monthly installments to make becoming a member even more accessible.

OUR ACCOUNTABILITY STATEMENT

We have a responsibility to you, our donors, and to the entire community, to ensure that the dollars you entrust to us are invested in ways that produce the greatest measurable impact on lives, enabling our region to thrive. Our investment strategy unites a network of more than 35 partner organizations and 45 programs under a set of shared goals. Our funding is tied to the achievement of specific measurements, increasing our likelihood of driving substantial change in our region.

GIVE. ADVOCATE. VOLUNTEER. LIVE UNITED®

There are many ways you can make a Difference!

While supporters can make a traditional gift through payroll, check or credit card, there are many giving options that help make our work possible.

Though your Donor Advised Fund

You can make a gift through your Donor Advised Fund by requesting that a grant be made from your fund to United Way.

Real Estate

Turn an asset such as a home, building or land into a charitable gift and receive certain tax benefits.

Stocks, Bonds and Mutual Funds

Make a gift of securities directly to United Way. Please contact Sue Manning at 845-471-1900 ext 3121 for instructions. Gifts of appreciated stocks, bonds and mutual funds may help you avoid capital gains tax on the appreciated portion of the gift.

Give a Tax Free Gift

Transfer money tax-free directly from your IRA if you're 70 ½ years old or older.

Honor a Loved One

Recognize a special friend or family members by making a gift in their honor or memory.

Leave a Legacy

Leave a legacy with a gift in your will or estate plans. There are naming opportunities throughout our building.

If you have included our United Way in your estate plans, please let us know. We would like to thank you for your generosity, make sure the purpose of your gift is understood by our staff, and recognize you as a member of our Legacy Society. Contact Rachel Johnson at rjohnson@uwdor.org or 845-471-1900 ext 3118.
