## Fees Associated with Donor Designated Gifts

There is a \$7 administrative fee deducted from each gift directed to a non-profit agency. In addition, a 5% uncollectable fee is also deducted. A shrinkage fee is required because numerous donors who make donor-designated pledges leave their place of employment before their entire annual pledge has been contributed. The shortfall is known as "uncollectable". Therefore, with the exception of fully paid donations (contributions made by cash, check or transfer of equities and not payroll deduction), a small percentage based the previous year's average of uncollected pledges is deducted from designations made to organizations.

*Our Annual Report, along with the most current filing of IRS Form 990, is available via our web site, or by writing or calling United Way's offices during normal business hours. A financial report can also be obtained through the New York State Office of Attorney General, Charities Bureau, Registration Section, 120 Broadway, New York, NY 10271. United Way values your privacy. We believe that you should have control over who receives your personal information, whether it concerns where you live, what your interests are or how you choose to conduct transactions. Therefore, we do not use or disclose information that you may give us, such as your name, address, e-mail address or telephone number, to any outside companies, except for the use of completing a donation transaction that you initiate. We do not rent, trade or sell our lists of contributors. Gifts to United Way may be tax deductible. Please consult your tax advisor.*
