Read Across America Day 2018 with volunteer readers, Dutchess County Executive Marcus Molinaro & Poughkeepsie Mayor Rob Rolison at Krieger Elementary School.
Dear Friends,

Our 80th anniversary year (Fiscal Year 18), which this Annual Report reflects, was a year of celebration and commitment. Your United Way has been in Dutchess and Orange counties helping you and your neighbors since 1937. We’re able to do this thanks to your continued support.

When Hurricane Harvey hit Houston, Texas, we responded to your calls by holding a supply drive that sent a tractor trailer load of necessities to the Texas Diaper Bank and the Houston Food Bank through Feeding Texas. When a devastating tornado swept through Newburgh, taking two lives, you responded to our call for help and we were able to provide needed supplies immediately. We listen to your calls and respond. During this time, from July 1, 2017 to June 30, 2018, we were able to positively impact 166,433 individuals in Dutchess and Orange counties. There were more than 18,000 calls to 2-1-1 connecting those in need with organizations to help them with food, housing, employment, and much more! More than $6.6 million in tax refunds was generated for our counties’ residents through the volunteers of AARP Foundation Tax Aide and the Hudson Valley CA$H Coalition.

This year, with the expansion of service to schools and faith-based organizations with our quarterly Days of Sharing and the Louis Greenspan Children’s Corner, we saw a substantial increase in those served. We also implemented the year-long Community Heroes Project that trained our veterans, service members and their families implement leadership skills to serve their communities through volunteerism. The Newburgh ESPRI (Empire State Poverty Reduction Initiative) entered its implementation phase with The Fragile Economies Project led by The Newburgh Ministry. The program is now helping almost 50 families break the cycle of poverty. In addition, six mini grants were funded that range from creating a playground to getting out the vote.

Looking back at what we accomplished the past 80 years and in 2017–2018 is inspiring and we will continue to build upon these partnerships to do even more in the future. During the upcoming year, we will ask you for your support – fiscally, through your workplace campaigns and individual gifts, through your volunteer hours, and through your support of our events. We hope to see you on September 24th as we celebrate two Community Champions at our annual Community Breakfast!

Thank you again for your continued support of United Way!

Sincerely,

Jeanie Montano

IT’S OUR MISSION TO FIGHT FOR THE HEALTH, EDUCATION AND FINANCIAL STABILITY OF EVERY PERSON IN OUR COMMUNITY.
A few months ago, one of the volunteers in a program that helps mentor children came to us almost in tears. She and her mentee Anita had just finished reading a book about dreaming big and when she asked Anita what was her big dream, Anita’s answer brought her to tears.

**Anita wanted a loaf of bread.**

Anita wished that there always would be food in the refrigerator. That her mom and dad wouldn’t be worried all the time. And that she could have a slice of bread so when she went to bed the sounds of her stomach growling wouldn’t keep her awake.

Anita and her family were able to get food and other help to tide them over that month, thanks to you. We want to make sure that all children have the food they need to grow strong. That families do not have to choose between eating and having a place to live. Thank you for helping us help them.

WHAT DOES COMMUNITY IMPACT MEAN?

Advancing the common good is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent.

We all win when a child succeeds in school, when families are financially stable, when people are healthy. United Way’s goal is to create long-lasting changes by addressing the underlying causes of these problems. Living united means being a part of the change.

By committing to LIVE UNITED, we’re changing the lives of people in our community today, tomorrow and into the future by helping them meet day-to-day challenges they confront while supporting themselves and their families, and preventing dangerous behaviors and crisis situations down the line.

All of us can help change the trajectory of their lives by building a foundation for success, helping them gain the skills and experiences that will enable them to thrive as members of our community.

We create fundamental and lasting change by fostering collaborations that transform the systems we rely on for a successful community.

It takes everyone in the community working together to create a brighter future. Give. Advocate. Volunteer. LIVE UNITED.

OVER $2.1 MILLION WAS INVESTED IN PROGRAMS THAT MAKE OUR COMMUNITY STRONGER, THANKS TO YOU.

Manuel didn’t know where to turn. Winter was coming and his house was falling down. He didn’t have heat or electric. Manuel had served his country for years as a Marine, but now found himself unemployed and almost homeless.

A friend told him to call United Way’s 2-1-1 helpline. Directed to Hudson River Housing, Manuel not only found an apartment, but also job training and placement especially for veterans that’s funded by United Way’s MISSION UNITED™. He now loves where he’s living and has a great job — thanks to your support of United Way.

A credo. A mission. A goal.
A constant reminder that when we,
as individuals, think outside ourselves,
we have the power to facilitate change.

When we think of others’ lives as
linked to our own, our compassion grows.
When we reach out a hand to one,
we influence the condition of all.

We build the strength of our neighborhoods.
We bolster the health of our communities.
And we change the lives of those
who walk by us every day.

More, it is a command.

**TO GIVE. TO ADVOCATE. TO VOLUNTEER.**

Because United, we stand.
United, we move through.
Above. And beyond.
