LGBTQ+ COMMUNITY

LUNCH & LEARN
JULY 2022
1948: The Universal Declaration of Human Rights is ratified.
Articles 1 and 2 confer rights to the following groups:

- “All human beings are born free and equal in dignity and rights.” (1)
- “Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status.” (2)
Eleanor Roosevelt as politician and person

“Hick my dearest–I cannot go to bed tonight without a word to you. I felt a little as though a part of me was leaving tonight. You have grown so much to be a part of my life that it is empty without you.” - ER to LH, March 1933, the night of FDR’s first Presidential Inauguration.
The Yogyakarta Principles plus 10

- **2006**: Created by human rights experts in response to international LGBTQ+ rights abuses; not a universal standard
  - Rights to Universal Enjoyment of Human Rights, Non-Discrimination and Recognition before the Law

LGBTQ+ Rights in the US

- 1953: Executive Order 10450 - bans gay people from working for the federal government or any of its private contractors
- 1962: Illinois is the first state to decriminalize homosexuality
- 1963: Bayard Rustin plans the March on Washington, unacknowledged
- 1969: Stonewall Riots begin LGBT rights movement
- 1973: Homosexuality declassified as mental illness
- 1981: The first HIV/AIDS case is identified and it spreads within a cluster of the gay community. Researchers at the CDC call it “Gay-related immunodeficiency disease.” 1.6 million die due to discriminatory delays in federal action.
- 1993: “Don’t Ask, Don’t Tell” ends an outright ban on LGBT military service, but wrongly discharges 13,650 people in its lifetime
LGBTQ+ Rights in the US

- 1996: Defense of Marriage Act defines marriage as one man and one woman
- 2003: *Lawrence v. Texas* - ruled the criminalization of homosexuality unconstitutional
- 2004: Massachusetts is the first state to legalize marriage equality
- 2008: Marriage equality passed, then reversed in California (Prop 8)
- 2015: *Obergefell v. Hodges* - universal marriage equality
- 2017: Newly-elected President Trump removes all LGBT resources from the White House website
- 2021: Transgender people able to serve in the military openly (with caveats)
- 2022: Justice Thomas declared intent to “correct the error[s]” of marriage equality and the decriminalization of homosexuality, in response House passes Respect for Marriage Act (267-157) to codify marriage equality
LGBTQ+ Rights in New York State

- Anti-discrimination laws
  - Sexual orientation (2003)
  - Gender identity/expression (2019)
- Hate crime laws
  - Sexual orientation (2001)
  - Gender identity/expression (2019)
- Marriage equality (2011)
What is the impact?
Physical & Mental Health Outcomes

Sexual & Gender Minority Stressors
- Discrimination
- Stereotypes
- Rejection
- Expectations of Rejection
- Concealment
- Internalized transphobia
- Internalized homophobia

Racism and Social/Economic Disadvantage

Community Resilience & Minority Coping
1) Relational Support
   - Supportive relationships for parents and children
   - Social Support & Coping
2) Community Support
   - Community Building
   - Allies
   - Role Models
3) Institutional Support
   - Gender Inclusion
Overall health and life outcomes

- The minority stress model draws a clear line between discrimination and its impact on and negative health and life outcomes. This includes:
  - Increased suicide attempts
    - 51% of transgender adults in the US attempt suicide in their lifetime
  - Increased rates of PTSD
    - LGB: 1.3-47.6%
    - Transgender: 17.8-42%
    - As compared to 30.9% (M) and 26.9% (F) in veterans
  - Greater risk of addiction
    - ~20-30% of LGBTQ population abuse or misuse substances as compared to 9% of general population
  - Greater exposure to IPV, assault
    - 1 in 4 victims of intimate partner violence identify as LGBTQ
    - 1 in 2 transgender individuals will experience sexual violence
    - Also consider difficulty in reporting due to discrimination
