

Resource Development VISTA

United Way of the Dutchess-Orange Region's mission is to support the health, education, and financial stability of every person in our community. The proposed VISTA project aligns with the economic opportunity focus area.

GOAL OF THE PROJECT

The Resource Development VISTA will foster long-term sustainability planning and measures for continuation of the project and success thereof. They will expand the capacity of partner nonprofits devoted to creating pathways out of poverty with regards to housing, employment and reducing other barriers that struggling families face. They will be charged with identifying and securing funding to secure the future of the vital Financial Stability Project.

OVERVIEW OF RESPONSIBILITIES

This VISTA member will contribute to the goals of the project by performing activities that will enhance and develop United Way's Financial Stability Project (FSP). Such tasks will include:

- Identifying funding sources that align with Financial Stability Project goals and objectives with a sustainability focused mindset
- Put together an implementation plan to solicit companies for in-kind support with VISTA succession planning and organizational sustainability focused measures
- Responsible for all marketing and promotion of Financial Stability Project with enhanced recruitment in the corporate sector and aligned with a long-term strategy
- Formulate financial sustainability strategy
