LIVE UNITED®

Underneath everything we are,
underneath everything we do,
we are all people.

Connected, interdependent, united.

And when we reach out a hand to one
we influence the condition of all.

That's what it means to **LIVE UNITED.**

Mission

Your United Way of Dutchess County builds a stronger, healthier community by raising resources and developing partnerships that make a measurable difference in people's lives.

Vision

Your United Way of Dutchess County is one of the area's premier community-impact organizations, serving as a resource and convenor to help increase community capacity to meet community needs. As a leader in advancing community dialogue and a vital force to increase philanthropy, United Way of Dutchess County makes a measurable difference.

A letter from the Board Chair

As the needs in Dutchess County have changed, we have adapted to meet them. United Way of Dutchess County has become more than a fundraiser, we help bring our neighbors together. Back in 2009, we began teaming with board leaders of various community organizations to break down barriers and to learn from one another. These gatherings became our board “Chair to Chair” meetings. Our Board Liaison initiative was born from the growing needs in our community, and the difficulty of individual organizations to meet those needs. By joining forces, we are able to work more efficiently to find the answers.

In an effort to learn where the greatest needs are, we invited local case managers to meet with us. We listened to their experiences and insights, and formed an alliance which will help meet their clients’ needs. In 2009, Hands On! The Hudson Valley joined our team, providing dedicated volunteers to help bring about positive change.

Always open to new and better ways to serve our neighbors, in 2009 we began holding Community Roundtables. Out of these discussions came the exploration and adoption of our Strategic Plan. Its key pillars will guide us as we move forward with you to strengthen our society. To help you keep abreast of statistics in this tri-county area, we have teamed with Dyson Foundation and Community Foundations of the Hudson Valley to develop a website. This will keep local health, education, housing,

and other information right at your fingertips. Whether you are interested to know the high school graduation rate in Dutchess County or to compare rates of voter registration in Dutchess and Ulster, this website can help you. Visit www.mhvcommunityprofiles.org.

In keeping with the spirit of collaboration, we opened up a dialogue with Orange County United Way to look at this question: Would combining resources allow us to better help the community at large? We began to explore the great possibilities such a partnership would make available.

We all share a common mission – to build a stronger, healthier community. We are indeed our brothers’ keepers. And as such, we must work together. And none of it would be possible without you, our generous donors. And through this collaboration, we can transform our community!

What is Community Impact?

Community Impact means changing the lives of people in our community today, tomorrow and into the future...

- Helping them meet day-to-day challenges they confront while supporting themselves and their families.
- Changing the trajectory of their lives by building a foundation for success, helping them gain the skills and experiences that will enable them to thrive as members of our community.
- Creating fundamental and lasting change by fostering collaborations that transform the systems we rely on for a successful community.

It means **changing our community for the better** through the generosity of our donors. Your gifts made an impact on the lives of over 50,000 Dutchess County residents.

JUNE PIERSON

Giving to United Way pays my rent for my time here

I have donated to United Way for 48 years because I believe in collective, collaborative community efforts to address social problems.

The impetus to ask that my donations be used to support early childhood development programs came from my education. When I studied Child Development and learned about the significance of experiences in the early years of life, the gap between what we know and what we do became increasingly evident.

I continued my studies in Psychology and Sociology, and became increasingly aware of families whose children are at great risk in every aspect of their present and future lives. It is clear to me that the societal costs of neglecting these children and families, in both human and monetary terms, are simply too serious to ignore.

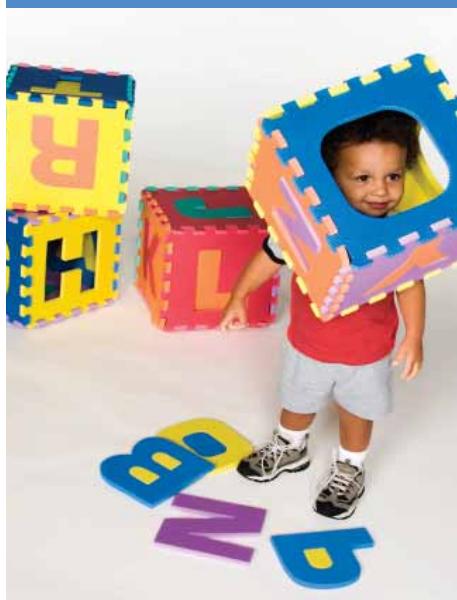

To me, it is a matter of values. If I value something, then I believe I am obliged to do what I can to support those values. I also believe that we all need to pay rent for our time here, to the extent that we are able to do so. Giving to the United Way is one way I pay my rent.

If every one of us would give as much as we can, what a difference we could make!

An average of 400 children in every school district suffer from an undiagnosed behavioral or developmental disorder.

Your United Way knows that children are born learning. Our Development Check Up program prepares young children for success by helping parents and caregivers build their child's skills and recognize concerns or developmental delays right from birth. United Way of Dutchess County focuses on the youngest children, particularly those most at risk for developmental delays.

Measurable Impact

- Over 300 children, ages 4 months to 5 years old, have participated in a Development Check Up.
- 28% of the children screened went on for further treatment for serious development, behavioral or health issues.
- More than 50% of our screenings are done on children under the age of three because we know the savings to parents and tax payers is significant if a child's delay is uncovered before that age.

For at-risk youth who have certain risk factors, placement in the foster care or the criminal justice system looms large. These programs step in and assist youth in defining problems, identifying solutions and putting their lives back on track before problems become crises. They teach coping strategies and offer mediation to help youth reunite with schools, family, and other positive role models before crime steps in.

These programs use different methods and types of employment to support our low-income high school students as they seek a firm foundation for future employment, while contributing to their family's budget through paid employment.

ANGELA ADAMS

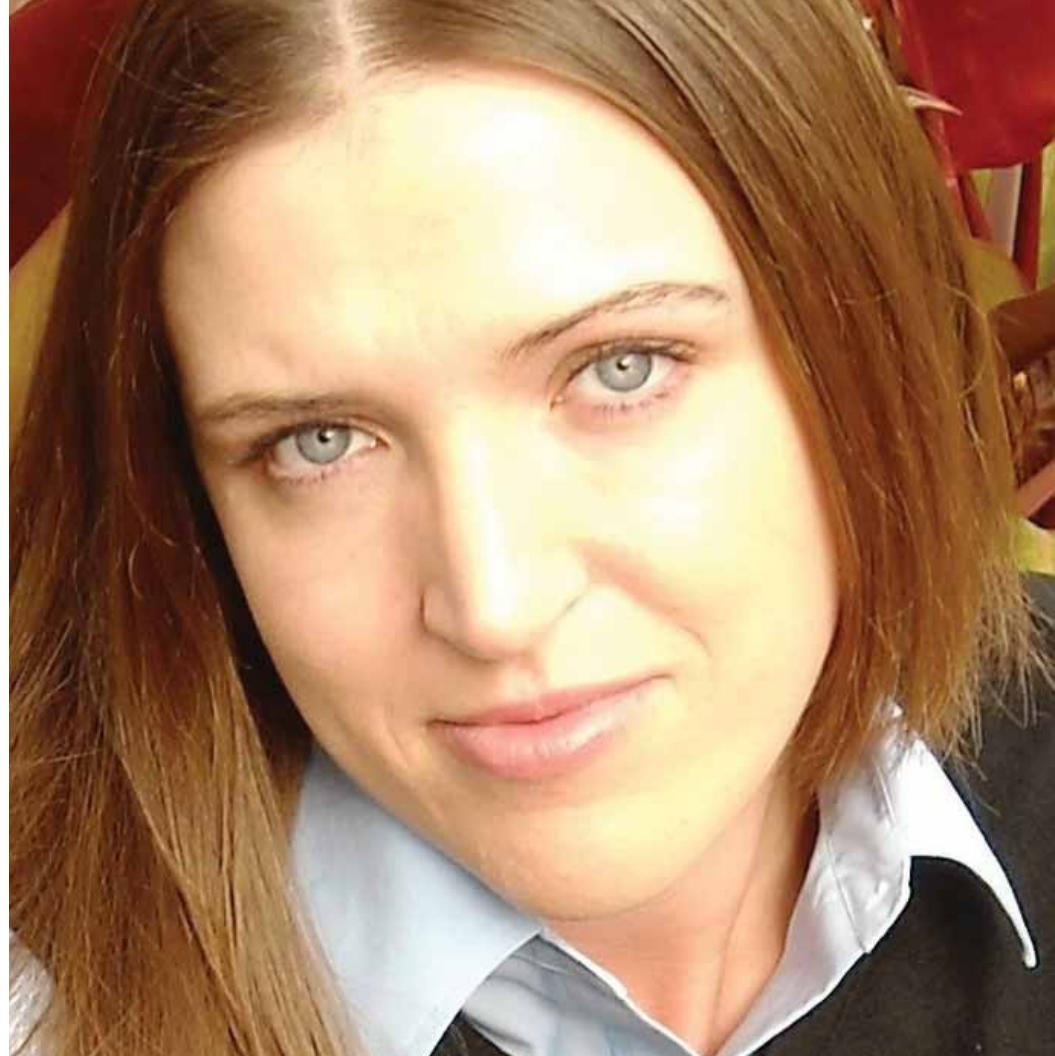

*Every dollar you
donate makes a huge
difference*

Adams Fairacre Farms has always been proud and enthusiastic to participate in United Way's Annual Workplace Campaign. I have donated to United Way since I was first asked about 10 years ago.

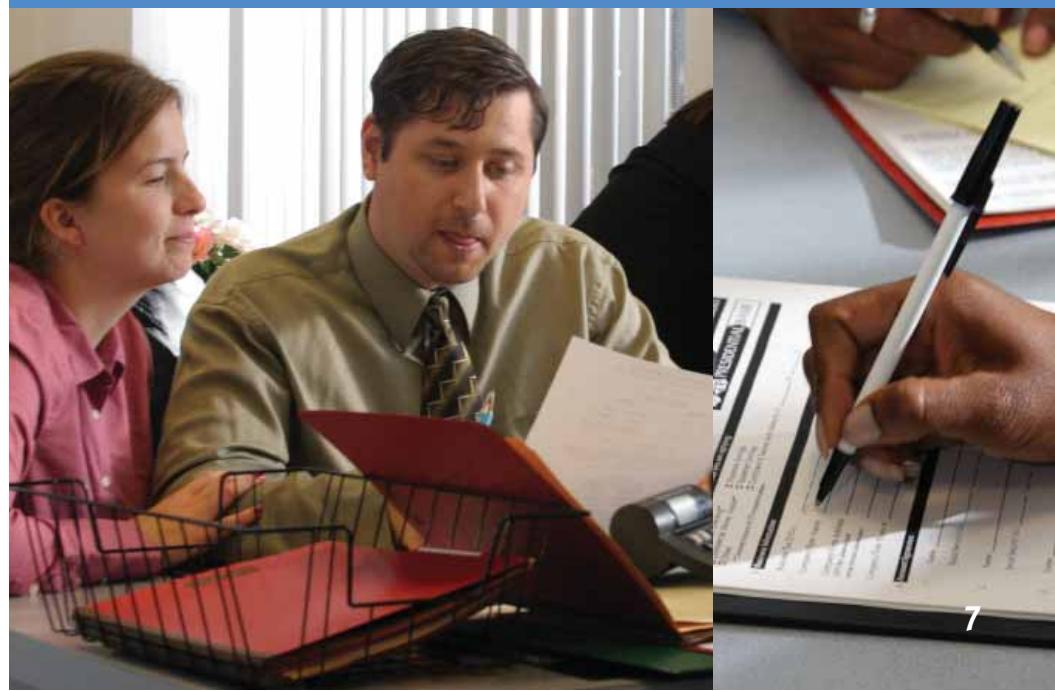

In my human resources work, I try to help Adams' employees to be happy and productive in both their professional and personal lives. I often have to refer them to outside agencies for assistance with life matters that are beyond my scope of assistance. One of the first resources I recommend is the free 2-1-1 helpline that United Way supports.

The simplest explanation of why it is important to give to United Way is that every dollar you donate makes a huge difference. Our friends and neighbors are in need, now more than ever. My satisfaction comes from knowing that my United Way donation helps people when their struggles become too great for them to handle alone. It is comforting to know that United Way is there for us with guidance and assistance for just about any difficulty we may have to face.

"My satisfaction comes from knowing that my donation helps people when their struggles become too great for them to handle alone."

You helped prevent families from falling into poverty by increasing income at tax time.

Financial stability programs focus on those most at risk for falling into poverty. People most at risk of falling into poverty are those with a household income of between 100% and 250% of the Federal Poverty Level who are not eligible for some or all state or federally funded programs and who do not regularly have at least \$300 saved for emergencies.

Measurable Impact

- United Way funded three-county (Dutchess, Ulster, Orange) CA\$H Coalition created almost \$4,000,000 in impact in the local community - half of this in Dutchess County through free preparation of 1,882 tax returns.
- Your Community Fund dollars were leveraged to bring funding from corporate and state entities which completely funded the expense of our EITC tax initiative.
- The number of people accessing our free tax preparation service doubled in the last year.

\$ Promoting Financial Stability

Earned Income Tax Credit (EITC)

The Earned Income Tax Credit is a credit for working people who need it most. It can be up to 40% of an individual's income, and is the number one way to lift one's self out of poverty.

TODDRITTER

*The need for food,
shelter and clothing is
great right now*

My wife and I feel a great deal of satisfaction from seeing the effect of United Way of Dutchess County's work in the community, and it is personally fulfilling to be a part of this effort.

The need is great right now—basic needs for food, shelter, and clothing. We all have to realize that there are people in need right here in our county. This includes many people who work but still cannot afford to feed their families or provide their children with basic supplies. They may even be our neighbors or friends.

We have donated to United Way since 2000. Over the years we have increased our annual donation because we understand the need, and fortunately we have the means. I sometimes wonder, "If we aren't going to donate, who will?"

The services of United Way's partner organizations are needed now more than ever. It is important for all of us to open our hearts and become United Way donors. Everyone who is able to contribute, either through donations or volunteering, should do so to help build a better community. And that will benefit all of us.

You helped serve over 2 million meals and touched one in six of your neighbors across Dutchess County

Over 18,000 people in Dutchess County, 5,000 of them children, live in poverty; as many as 16,000 more risk falling into poverty. Approximately 40% of our grant dollars help people meet their basic needs during a personal crisis or following a disaster.

Measurable Impact

- Your donations supported 26,477 people who received food & basic necessities at 23 food programs throughout the county.
- Your support ensured that the 5,562 people who called 2-1-1 from Dutchess County received the information they needed.
- FamilyWize prescription drug cards saved a total of almost \$27,000 on 1,994 prescriptions filled in the county.
- You provided support for 939 women and children escaping a violent situation.
- 2,314 people received medical care thanks to you.
- 550 people received utility assistance, mostly in the coldest months.
- Your gifts helped 278 people after a disaster, like a fire.

Volunteer Matching

Hands On! The Hudson Valley

A match making initiative to recruit and connect volunteers with area nonprofit opportunities was funded this year. The partnership's goal is to engage more local businesses and individuals in the recruitment of volunteers and then matching registered volunteers with area nonprofits so that they can expand their service capacities.

Potential volunteers can register online at www.handsonhv.org to volunteer in a wide range of roles including advocacy, counseling, meal delivery, tutoring, grant writing or driving individuals to health care appointments.

Points of Light

**Lorraine M. Roberts,
2010 Alexis de Tocqueville
Community Service Award Recipient**

Alexis de Tocqueville Community Service Award

Each year, the United Way of Dutchess County Board of Governors and Alexis de Tocqueville Society pays tribute to an outstanding community leader whose spirit of philanthropy and volunteerism stands as an example of selfless dedication and service to the residents of Dutchess County. Formal recognition of their efforts is made through the presentation of the Alexis de Tocqueville Community Service Award.

In 2010, the award was presented to longtime community volunteer and retired educator Lorraine M. Roberts. Lorraine is the embodiment of what the award is all about: unflagging service to our community.

158 United Way of Dutchess County volunteers served 2,988 hours in the last year.

Studies show that volunteer hours, valued at \$28.04 per hour for each volunteer, add up and save donor dollars allowing more money to go to much needed services in our community.

Taking that into account, their efforts equaled a savings of \$83,783.52!

Dutchess County Classic

Hosted by the **Mid-Hudson Road Runners Club**, the Dutchess County Classic is an annual race held in Wappingers Falls every September that benefits United Way of Dutchess County. Young Leaders United volunteered in a variety of ways throughout the day: setting up, cheering on racers and ensuring they stayed on course, and preparing and serving snacks at the food tent. They also ran a tent of their own to pass out information about United Way and 2-1-1. **The Classic raised \$3,000 for the Community Fund this year.**

Holiday Happy Hour

Young Leaders United collected three large cartons filled with **60 gifts and \$350 in donations** at a holiday gathering at Cosimo's in Poughkeepsie. The donated toys and Wii system (purchased at the request of the organization) were delivered to Abilities First as YLU's contribution to Holiday Helping Hand, a joint project of The Poughkeepsie Journal and United Way of Dutchess County.

Touch-A-Truck

The intermittent rain didn't deter more than 1,200 from attending the fundraiser for United Way of Dutchess County or the 39 vehicles from being on hand for everyone to enjoy. Horns of vehicles of all sizes tooted and blared, sometimes in chorus, throughout Sunday, June 6 at the Young Leaders United's 2nd Annual Touch-A-Truck event at the Dutchess County Fairgrounds in Rhinebeck. **The event raised \$10,000 for the Community Fund!**

THANK YOU!

Thank you to United Way of Dutchess County's generous Leadership Donors. At United Way, we know that we cannot create lasting change alone. It takes a community, not just one organization, to help individuals and families move from crisis to independence.

Despite the annual influences that impact our economy and quality of life, our donors' caring and commitment has remained strong. We value the legacy of community solutions we are creating together and thank you for your incredible generosity and support.

United Way isn't just about a hand-out, it is about a hand up. United Way's goal isn't

a quick fix to treat symptoms. Our goal is about long lasting change, addressing issues before they become problems. It's about getting to the root causes that prevent individuals and families from living self sufficient lives.

Through your commitment and support of the Community Fund we can create lasting, positive changes in the lives of individuals, families, and children. Working together with community partners we can build a community where children enter school ready to learn, families make the most of the resources available to them, and individuals are moved through times of crisis to self-sufficiency.

Community Supporters:

These generous community organizations provided gift certificates and gifts-in-kind. Because of their generous support, we were able to put more money back into the community and less into promoting our fundraising efforts.
