

# DAYS OF SHARING

United Way of the Dutchess-Orange Region is committed to supporting nonprofit organizations and helping our neighbors meet their basic needs.

We are excited to share generous donations from Bed Bath & Beyond, Calvin Klein, Izod, Van Heusen, among others with our nonprofit community partners.

Please feel free to browse our inventory of in-kind donations that include:

clothing, accessories, bedding, kitchen & household goods and other useful items.

Select the items that will assist your organization in achieving its mission. \*
