

A Community Baby Shower

We're throwing a baby shower!

Parenthood can be overwhelming for anyone, but it can be especially difficult for expectant parents who already struggle to make ends meet. United Way of Dutchess-Orange Region is holding the Community Baby Shower to help ensure new and expectant parents have vital supplies— to give their child a strong start in life. For the cost of an average baby shower gift, we'll provide expectant mothers with diapers, wipes, onesies, and more!

Brand New Items Most Needed:

- Diapers
- Baby Wipes
- Onsies
- Baby Books
- Lotion
- Baby Bottles

*In addition to the items listed above, all donations of **new** baby items are gratefully accepted.*
