#### **Independent Auditor's Report**

To the Board of Directors of United Way of the Dutchess - Orange Region, Inc.

We have audited the accompanying financial statements of United Way of the Dutchess - Orange Region, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Dutchess - Orange Region, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Adoption of New Accounting Standard**

As discussed in Note 2 to the financial statements, during the year ended June 30, 2019, United Way of the Dutchess - Orange Region, Inc. adopted FASB ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. As a result of adopting the standard, United Way of the Dutchess - Orange Region, Inc. changed the manner in which it presents net assets and added disclosure related to liquidity and availability of financial assets. Our opinion is not modified with respect to this matter.

#### 1. Nature of Organization and Summary of Significant Accounting Policies

#### Organization

United Way of the Dutchess - Orange Region, Inc.'s ("United Way") mission is to fight for the health, education, and financial stability of every person in our community. United Way's support comes primarily from campaign contributions from individuals and corporations who reside in or conduct business in Dutchess and Orange Counties, in New York State.

Effective September, 2017, the Organization's legal name was changed from United Way of the Mid-Hudson Valley, Inc. to United Way of the Dutchess-Orange Region, Inc.

#### Net asset classification

Net assets are classified and reported as follows:

<u>Net assets without donor restrictions</u> – Net assets that are not subject to donor-imposed restrictions and are available to support and fund United Way programs and other organizations through the granting of amounts raised during the annual campaigns. Donor restricted contributions are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized.

<u>Net assets with donor restrictions</u> — Net assets subject to donor-imposed stipulations that are available to fund programs and organizations in Dutchess and Orange Counties where grant recipients and amounts are specified by the donor. Additionally, net assets with donor restrictions include net assets subject to donor-imposed stipulations that require that they be maintained permanently. Generally, the donors of these permanent assets permit the United Way to use all or part of the income earned on these investments for general or specific purposes.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. Estimates that are particularly susceptible to change, relate to the determination of the allowance for pledges receivable, depreciation and the allocation of functional expenses, among others.

#### Cash and cash equivalents

United Way considers all investments in money market accounts absent of withdrawal restrictions and demand deposits at banks to be cash and cash equivalents.

#### 1. Nature of Organization and Summary of Significant Accounting Policies, continued

#### *Investments*

The United Way's investments consist of investments in pooled mutual funds at the Community Foundations of the Hudson Valley and other investments held in brokerage accounts. The United Way reports its investments at fair value based on quoted market prices.

#### Property and equipment

Property and equipment are recorded at acquisition cost if purchased and at estimated fair value if donated. United Way's policy is to expense the purchase of property and equipment under \$1,000. Buildings, furniture and equipment are being depreciated over estimated useful lives of five to thirty years using a straight-line method. Depreciation expense amounted to \$35,276 and \$35,640 for the years ended June 30, 2019 and 2018, respectively.

#### Endowment classification, investment and spending policies

Generally accepted accounting principles provide guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA) and the related disclosures about an organization's endowment funds (both donor restricted endowment funds and board designated endowment funds) whether or not the organization is subject to UPMIFA. United Way is subject to the New York State enacted version of UPMIFA.

Under the terms of the directives, the Board of Directors can be given the ability to distribute so much of the corpus of any endowment or separate gift, devise, bequest, or fund as the board in its sole discretion shall determine. As a result of the ability to distribute corpus, all contributions not classified as with donor restrictions are classified as net assets without donor restrictions for financial statement purposes.

Net assets with donor restrictions consist of restricted contributions receivable, and endowment funds with donor restrictions. When donor restrictions expire, that is, when a stipulated time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Certain endowment funds with donor restrictions are restricted by donors in perpetuity. These amounts are recorded at the fair value of the original gift as of the gift date.

United Way has adopted investment and spending polices for endowment assets that attempt to provide for long term growth. United Way's spending and investment policies work together to achieve this objective. The investment policy establishes an achievable return objective through diversification of asset classes. The current long-term return objective is to achieve a growth rate of 5% real growth per year over inflation. Actual returns in any given year may vary from this amount. The target payout rate is 5% of the prior three years moving average market value of the portfolio and will be available for expenditure consistent with the terms of the gifts. To achieve long term capital appreciation with a moderate level of risk, United Way has deposited its endowment funds with the Community Foundations of the Hudson Valley for investment management.

#### 1. Nature of Organization and Summary of Significant Accounting Policies, continued

#### Public support and revenue

Annual campaign contributions are generally available for unrestricted use in the campaign year unless specifically restricted by the donor. Unconditional pledges are recorded as earned when pledged. The majority of pledges are received from a broad base of Dutchess and Orange County contributors as a result of the annual campaign. An allowance for uncollectible promises is provided based on management's evaluation of potential uncollectible promises receivable. Management uses various factors to determine the allowance including assessments of historical uncollectible rates and adjusting for current local economic conditions to arrive at the most likely loss rate.

Grants and other contributions of cash and other assets are reported as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Endowment funds are comprised of contributions and investments and are classified as net assets with donor restrictions or board designated net assets without donor restrictions. Investment earnings on endowment funds with donor restrictions are classified as net assets with donor restrictions until appropriated for expenditure, at which point they are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. All other earnings are classified as net assets without donor restrictions.

United Way follows generally accepted accounting principles, which establish standards for accounting for certain transactions in which an entity (the donor) makes a contribution by transferring assets to a not-for-profit organization or charitable trust (the recipient organization) that accepts the assets from the donor and agrees to use those assets on behalf of, and/or transfer those assets, to an unaffiliated entity (the beneficiary) that is specified by the donor. These transfers shall not be considered contributions but instead as transactions to be reported as a separate line item in the statements of activities.

#### Functional allocation of expenses

The cost of providing the various programs and the supporting services has been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and the supporting services in reasonable ratios determined by management that are consistently applied. All direct expenses related to a department or program are allocated fully to the appropriate program or supporting service as incurred. All indirect expenses are allocated among programs and supporting services based on FTE weighted salary percentages.

#### Fair value of financial instruments

The carrying amounts of cash, cash equivalents and short-term pledges receivable reported in the statements of financial position approximate fair values due to the short maturities of those instruments.

#### 1. Nature of Organization and Summary of Significant Accounting Policies, continued

#### Fair value measurements

United Way determines the fair market value of its financial instruments based on the fair value hierarchy established by generally accepted accounting principles. United Way is required to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy requires that all financial instruments measured at fair value are classified as Level 1, Level 2, or Level 3.

#### Level 1

Level 1 inputs are quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include debt and equity securities and derivative contracts that are traded in an active exchange market.

#### Level 2

Level 2 inputs are observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable.

#### Level 3

Level 3 inputs are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined by using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

#### Measure of operations

In its statements of activities, United Way includes in its definition of operations all revenues and expenses that are an integral part of its program and supporting activities. All endowment activity and other items that management considers not an integral part of its program and supporting activities are recognized as non-operating activities. Non-operating investment income is generated from United Way's endowment; operating investment income is generated from interest and dividends on cash reserves and brokerage account investments.

#### Income taxes

United Way is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. It is not classified as a private foundation under Section 170(b)(1)(A)(vi). Management is not aware of any violations of its tax exempt status, nor any exposure to unrelated business income tax.

#### Advertising and marketing costs

Advertising and marketing costs are expensed when incurred. Amounts incurred for advertising and marketing were \$32,874 and \$27,485 for the years ended June 30, 2019 and 2018, respectively.

#### 2. Adoption of New Accounting Standard

During the year ended June 30, 2019, United Way adopted ASU No. 2016-14, Not-for-Profit Entities (Topic 958) Presentation of Financial Statements of Not-for-Profit Entities. These amendments change presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. These include qualitative and quantitative requirements in the areas of net asset classes, investment return, expenses, liquidity and availability of resources, and presentation of operating cash flows.

The amendments were applied on a retrospective basis to June 30, 2018, except for disclosures about liquidity and availability of resources, which are presented for the current year only. The changes have the following effect on net asset classes at June 30, 2018:

	As Originally Presented		After Adoption of ASU 2016-14	
Unrestricted net assets	\$ 3,368,451	\$	_	
Temporarily restricted net assets	1,068,476		-	
Permanently restricted net assets	283,743		-	
Net assets without donor restrictions	-		3,368,451	
Net assets with donor restrictions	 <u>-</u>		1,352,219	
Total net assets	\$ 4,720,670	\$	4,720,670	

#### 3. Liquidity and Availability of Resources

United Way meets cash needs for expenditures with grants and campaign contributions received throughout the year. Campaign pledges may be designated by donors and grants may be for specific programs. United Way has the following financial assets that could readily be made available within one year of the statement of financial position to fund expenses without limitations as of June 30, 2019:

Financial assets	
Cash and cash equivalents	\$ 180,201
Pooled endowment investments	2,306,708
Investments, broker held	1,298,293
Pledges receivable, net	588,088

Board designated endowment	(948,570)
	(2,496,916)
Financial assets available to meet cash needs for general	
expenditures within one year	\$ 2,195,310

To help manage unanticipated liquidity needs, board designated net assets without donor restrictions could be made available for current operations, if necessary.

#### 4. Cash and Cash Equivalents

Cash and cash equivalents consist of the following as of June 30:

	2019	2018
Cash in banks Money market accounts	\$ 137,927 42,274	\$ 269,393 178,484
Total cash and cash equivalents	<u>\$ 180,201</u>	<u>\$ 447,877</u>

#### 5. Investments, Broker Held

United Way holds investments in government and agency securities, corporate bonds, equities and mutual funds in its brokerage account that are recorded at fair value in the amounts of \$1,298,293 and \$1,169,849 at June 30, 2019 and 2018, respectively.

#### 6. Pooled Investments and Endowment

United Way owns investments within its endowment fund. These investments consist of pooled mutual funds managed and held by the Community Foundations of the Hudson Valley. A portion of these investments are classified as with donor restrictions and the remainder represents amounts without donor restrictions. All amounts without donor restrictions have been designated by the board for unspecified purposes.

Expenses relating to investment revenues include custodial fees and investment advisory fees; these amounted to \$19,432 and \$20,047 for the years ended June 30, 2019 and 2018, respectively. These expenses are netted against investment revenues in the accompanying statements of activities.

The following represents the activity by net asset class in the endowment for the year ended June 30, 2019:

#### 9. Funds Held by Other Organization

The Community Foundation of Orange County holds the Marion S. Murphy (Quasi) Endowment Fund amounting to \$30,600 and \$29,984 at June 30, 2019 and 2018, respectively. Under the terms of the agreement, if the endowment fund reached \$25,000 by 2011 it would be endowed and generate annual income back to the United Way to reduce its operating and administrative expenses. The fund did not reach the \$25,000 by 2011 and therefore, was available to be liquidated and used for the intended purpose. The balance of these funds is included in the statements of financial position under the title "other receivables".

#### 10. Capital Lease Obligations

Office equipment under capital leases consist of a copier, postage machine, and telephone system with capitalized costs of \$31,970. Accumulated depreciation in the statements of financial position includes \$14,922 and \$8,528 in relation to the leased assets for the years ended June 30, 2019 and 2018, respectively. Amortization of the capital leases in the amount of \$6,394 is included in depreciation expense reported in the statements of activities for each of the years presented. The leases provide for minimum monthly payments totaling \$646 (including principal and interest) and begin to expire in 2021 through 2022.

#### 10. Capital Lease Obligations, continued

The following is a schedule by years of future minimum payments required under the leases together with their present values as of June 30, 2019:

Year ending:	June 30, 2020	\$ 7,758
	June 30, 2021	7,758
	June 30, 2022	 4,008
Total minimun	n lease payments	19,524
Less amount re	epresenting interest	 (1,447)
Present value of	of minimum lease payments	\$ 18,077

#### 11. Pension Plan

United Way has a defined contribution pension plan covering substantially all employees. Employees who are age 21 or older and have completed one year of service are eligible to participate in the plan. Employees who were previously employed at another nonprofit organization for at least three years are immediately eligible to participate in the plan. United Way's contributions to the plan are equal to 8% of compensation. The amounts are included in staff compensation expense as employee benefits in the statements of functional expenses and totaled \$43,133 and \$52,116 for the years ended June 30, 2019 and 2018, respectively.

#### 12. Operating Leases

In May 2017, the United Way entered into a lease agreement for office space in Orange County, New York under a one-year lease that expired in April 2018. The lease was not renewed and is currently on a month-to-month basis. The lease calls for monthly base rent of \$1,300. Rent expense amounted to \$15,600 and \$26,381 for the years ended June 30, 2019 and 2018, respectively.

#### 13. Donated Goods and Services

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received, if sufficient information exists to establish the fair value. During the years ended June 30, 2019 and 2018, United Way received \$41,980 and \$33,129, respectively, in donated services for advertising and marketing. These amounts have been reported as expenses in their natural expense classification in the statements of activities.

#### 13. Donated Goods and Services, continued

In addition, United Way receives a significant amount of donated services from unpaid volunteers who assist in fundraising and special projects. No amounts have been recognized in the statements of activities because the criteria for recognition under generally accepted accounting principles has not been satisfied.

United Way receives donated clothing, household goods, books, and various other items which are recognized in the financial statements at their fair market value which is offset with a corresponding expense for the distribution. There is no effect on change in net assets. During the years ended June 30, 2019 and 2018, United Way received \$237,803 and \$147,958 in donated goods, respectively. These amounts have been reported as expenses in their natural expense classification in the statements of activities.

#### 16. Concentrations, Risks and Uncertainties

United Way receives a substantial amount of donations from public support concentrated in Dutchess and Orange Counties in New York State. If a significant reduction in the level of this support were to occur, it may have a significant effect on the programs and activities of the United Way.

United Way maintains its bank and money market accounts with high credit worthy financial institutions, with funds in excess of limits set and insured by the FDIC and coverage provided by the SIPC. United Way's endowment accounts are pooled and maintained with other financial institutions with funds that are in excess of limits set and insured by the FDIC and coverage provided by the SIPC. United Way has not experienced any losses on such accounts. Management believes that the United Way is not exposed to any significant credit risk related to those accounts.

United Way invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position.

#### 17. Contingencies

Grants received by the United Way are subject to audit and adjustment by the funding agency or its representative. If grant revenues are received for expenditures which are subsequently disallowed, the United Way may be required to repay the revenues to the funding agency.

#### 18. Related Party Transactions

United Way conducts business with various vendors in Dutchess and Orange Counties. Several of these vendors have principals or employees serving on United Way's board of directors. Payments for these goods or services may not represent the amounts that would have been paid under an armslength-transaction. Each member of the board of directors is required to sign a conflict of interest statement and all purchases go through the United Way's regular purchasing processes. The United Way has determined that none of these expenditures were material during the years presented. United Way also solicits and receives contributions from its employees, members of its board of directors and their employers.

#### 19. Subsequent Events

Management has evaluated subsequent events through the date of the independent auditor's report, October 31, 2019 which is the date the financial statements were available for issuance.
