# A MESSAGE FROM OUR PRESIDENT & CEO

Dear Friends,

Thank you for your support of United Way of the Dutchess-Orange Region. I have met many of you since I assumed the role of President & CEO in March and I am overwhelmed by your strong support and respect of our work.

During the previous fiscal year of 2013-14, more than 74,000 lives of your neighbors, friends, and community members have been touched by programs supported by United Way.

Yes, YOU helped serve almost 7million meals to individuals-in-need, including children, through Food Bank of the Hudson Valley. In addition, almost 13,000 children and their parents have been given access to healthier food and

lifestyle choices through partner program education.

More than 2,300 children received developmental check-up screenings for 0-5 year olds and their parents and caregivers received education to help them identify the age-appropriate developmental milestones. Almost 900 children and adults received academic support outside of the classroom through literacy support and after-school tutoring programs.

Your donations enabled Hudson Valley residents who sought out the Hudson Valley CA\$H Coalition for free help in filing their tax returns see refunds of \$5,599,933 generated for them; refunds they might not have otherwise received. United Way volunteers donated over 30,000 hours of time that has an estimated economic benefit of \$841,200 according to New York State's declared value of volunteer hours.

How does United Way decide what programs are funded in our strategic priority areas? That's easy, we depend on you. Yes, this spring 125 volunteers reviewed grants for the coming fiscal year. I was privileged to be one of them. Being part of this grant review process gave me a small window into the many programs

that United Way supports in Education, Income, Health, and Crisis Intervention. The volunteer grant reviewers are drawn from organizations and businesses throughout Dutchess and Orange counties; this is the third year this participatory process has been in place.

What does this mean? The choice of funded programs is decided by you, your friends, co-workers, community members. We depend on your input along with our Community Impact Council to help make these decisions, so that those most-in-need in your community will benefit from your contributions to the Community Fund.

During the coming year, we will ask you for your support – fiscally through your workplace campaigns and individual gifts, through your volunteer hours, and your support of our events. We hope to see you at our 2015 Campaign Kick-Off Breakfast on September 9th at the Poughkeepsie Grand Hotel.

Thank you again for your continued support of United Way!

Sincerely,

Jeannie Montano  
President & CEO

# WHAT DOES COMMUNITY IMPACT MEAN?

Advancing the common good is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent.

We all win when a child succeeds in school, when families are financially stable, when people are healthy. United Way's goal is to create long-lasting changes by addressing the underlying causes of these problems. Living united means being a part of the change.

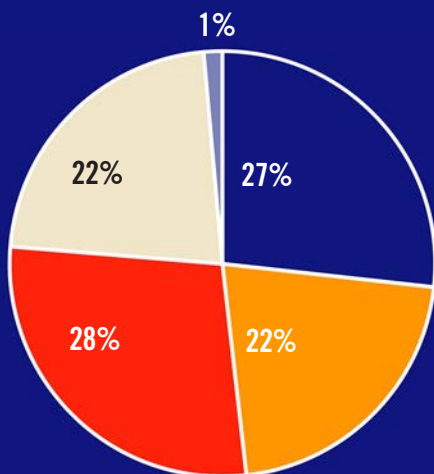

By committing to LIVE UNITED, we're changing the lives of people in our community today, tomorrow and into the future by helping them meet day-to-day challenges they confront while supporting themselves and

their families, and preventing behaviors and situations down the line.

All of us can help change the trajectory of their lives by building a foundation for success, helping them gain the skills and experiences that will enable them to thrive as members of our community.

Creating fundamental and lasting change by fostering collaborations that transform the systems we rely on for a successful community.

It takes everyone in the community working together to create a brighter future. Give. Advocate. Volunteer. LIVE UNITED.

## OUR INITIATIVES

OUR WORK DOESN'T STOP WITH FUNDING, WE SUPPORT VOLUNTEERISM, PROMOTE FINANCIAL STABILITY  
AND PROVIDE BASIC NEEDS.

## ENERGY PENETRATION PROGRAMS

For residents in Orange County, the Fuel Fund is better than a wooly blanket on a snowy night, it's support when they need it most. The Orange County Fuel Fund helps those struggling to pay their heating bills but do not qualify for the federally funded H.E.A.P. (Home Energy Assistance Program). It provides peace of mind to recipients who now can heat their home, and keep their family warm through the winter.

Each household that qualifies for a heating grant from the Fuel Fund may participate in the Energy Savers Program which includes financial literacy, budgeting, and energy conservation workshops. It helps people help themselves.

# OUR ACCOUNTABILITY STATEMENT

We have a responsibility to you, our donors, and to the entire community, to ensure that the dollars you entrust to us are invested in ways that produce the greatest measurable impact on lives, enabling our region to thrive. Our investment strategy unites a network of more than 39 partner organizations and 54 programs under a set of shared goals. Our funding is tied to the achievement of specific measurements, increasing our likelihood of driving substantial change in our region.

# LIVE UNITED

A credo. A mission. A goal.  
A constant reminder that when we,  
as individuals, think outside ourselves,  
we have the power to facilitate change.

When we think of others' lives as  
linked to our own, our compassion grows.  
When we reach out a hand to one,  
we influence the condition of all.

We build the strength of our neighborhoods.  
We bolster the health of our communities.  
And we change the lives of those  
who walk by us every day.

More, it is a command.  
TO GIVE. TO ADVOCATE. TO VOLUNTEER.

Because united, we stand.  
United, we move through.  
Above. And beyond.

United, we can change what we see in our world.

**GIVE. ADVOCATE. VOLUNTEER.**  
**LIVE UNITED**™
